About the beer...

Kodiak Brown Ale sports rugged yet smooth flavor, balancing caramel sweetness with a roasted malt character. Perle and Willamette hops accent without overpowering this American brown ale's intrepid maltiness. The result is a bit bold but beautifully balanced.

Inspired by the adventurous spirit readily found in Alaska, Kodiak Brown Ale has been remained one of our most popular beers since we opened our doors in 1995. This proves that Alaskans are not afraid of the dark.

Pair Kodiak Brown Ale with comfort foods—macaroni and cheese, lasagna, burritos; pub grub—burgers, nachos, deep fried bites—and just about anything grilled. You can also just kick back and enjoy a tall cool one when you want to relax and enjoy LiFe.
