About the beer...

Dark and full-bodied, Mammoth Extra Stout offers a cozy blanket of warm and fuzzy flavors, including chocolate, caramel, coffee and nut. Huge portions of pale and specialty malts give this mammoth brew a complex yet exceptionally smooth palate. Hops provide a well-rounded balance.

Any time of year, complement the robust flavors of Mammoth Extra Stout with slow-roasted, caramelized meats and vegetables. Or contrast the deep dark roast flavors of this wonderful brew with silky soups, creamy pasta dishes, cheesecake, crème brulee, or berry compotes and sauces.
